Hints & Tips for Sellers

Read our Terms & Conditions above before selling items at the car boot sale for any item restrictions. Once you're ready, sort out your goods ready for sale, consider the values and ideally price them up before you arrive. If safe and practical, load up your car the night before and remember to put your table or groundsheet in last.

Watch the weather forecast, and prepare for your day ahead. There is no shade or shelter from rain or sun in the field so a handy umbrella is a useful addition. If there is a chance of rain, a plastic cover would be handy to cover your items too.

Some sellers like to use a gazebo, canopy, awning or umbrella if the forecast is unsettled. We do not make an additional charge to add one above your stall but you will need to consider the space in your vehicle and the time to erect it. Please also ensure gazebos are well secured to the ground, and be prepared to remove if there is a strong wind. Stubbings reserves the right to request the removal of any equipment if deemed to be unsafe, not fit for purpose or if the weather conditions deteriorate.

The car boot sale is an 'old school' cash environment. There are no card facilities at the car boot sale. Do bring PLENTY of change with you. Do not leave cash unsecured. However, Stubbings Café and Nursery will take card payment for goods and entry.

Do make sure that your boot is locked when you arrive and until you are ready to set up.

We recommend that you bring a friend or relative to share the day. You'll appreciate the help to mind your stall when you need the loo or a coffee break, and help watch over your goods if you are engaged with a buyer.

You are very welcome to bring refreshments for your own consumption but please note that you may not sell drinks, foods or sweets at the car boot sale as there are strict regulations controlling the sale of foods. Stubbings will have food and drink for sale.

Please note our access gates do not open before 8am.

For the safety of all buyers, sellers and staff, we ask you do not move your vehicle during the Car Boot Sale. We will announce when the event is finished and will direct you out row by row. If you need to leave for a medical emergency, please do talk to one of our members of staff.
